

**125%**  
**dedication**  
125 years of Kapsch

***“Running a company  
successfully across multiple  
generations is a true art.”***  
*Congratulations on 125 years of vision.*

*Karola Kraus,  
director, mumok*

**kapsch** >>>  
challenging limits

**Kapsch Group**

As a family-owned enterprise, we are aware of our sociopolitical responsibilities. Kapsch's promotion of culture, for example, therefore focuses on carefully selected, high-quality projects. With the Kapsch Contemporary Art Prize in partnership with mumok, we give young, contemporary artists their first international platform.
